

NOTIFICATION OF BOARD MEETINGS

The Board shall give full and timely notice to the public of any meeting of four or more Board members at which public business may be discussed or any formal action taken, including special, regular and work session meetings and retreats.

Dates of regular meetings of the Board shall be provided in annual announcements and made available in printed form to the news media and public. At the first regular meeting of the calendar year, the Board shall designate the public place or places at which notice of all Board meetings shall be posted. In the event such action is not taken annually, the designated public places used in the previous year shall continue as the official posting sites.

At a minimum, the Board shall cause notice of regular and special meetings and work sessions to be posted at the designated public place no less than 24 hours prior to the meeting. This notice shall include specific agenda information where possible.

Copies of the agenda shall be available to representatives of the community and staff and others at the Education Service Center upon publication and dissemination to the Board.

The district shall maintain a list of persons who, within the previous two years, have requested notification of all meetings or of meetings when certain specified topics will be discussed. These individuals will be provided reasonable advanced notification of Board meetings unless the meeting is a special meeting and there is insufficient time prior to the meeting to mail notice to persons on the list.

Notice to the Board

The superintendent shall mail or deliver the agenda, together with meeting materials and the minutes of the last regular meeting, to Board members no later than 72 hours before the next regular meeting.
