

Medication Administration in School or Child Care

The parent(s)/guardian(s) of _____ ask that school/child care staff give the
(Child's name)
following medication _____ at _____
(Name of medicine and dosage) (Time(s))
to my child, according to the health care provider's signed instructions on the lower part of this form.

The Program agrees to administer medication prescribed by a licensed health care provider.
It is the parent's/guardian's responsibility to furnish the medication.
The parent agrees to pick up expired or unused medication within one week of notification by staff.

Prescription medications must come in a container labeled with: child's name, name of medicine, time medicine is to be given, dosage, date medicine is to be stopped and licensed health care provider's name. Pharmacy name and phone number must also be included on the label. **Over the counter medication** must be labeled with child's name. Dosage must match the signed health care provider authorization, and medicine must be packaged in original container.

By signing this document, I give permission for my child's health care provider to share information about the administration of this medication with the nurse or school staff delegated to administer medication.
