Emergency Drills

Fire/Lockout/Lockdown/Tornado drills at regular intervals are required by law and are an important safety precaution. VHS has an emergency plan in case of a Fire, Tornado, Lockout and Lockdown procedure. It is essential that when the signal is given, you promptly follow the instruction of your classroom teacher.

Food Service

Lunch programs, under the supervision of the Coordinator of Food Services, are maintained at each of the schools in the district, providing well-balanced meals for all students who wish to participate. For the students who wish to carry a "sack" lunch, drinks are available for purchase. **Students who cannot afford to pay full price for lunches may apply for "free" or "reduced" lunches by contacting the office and completing an application**

Following is the expected behavior in the cafeteria:

1. Students need their ID to enter the lunch lines.
2. Lunch should be picked up in an orderly manner.
3. All lunch litter must be deposited in the wastebasket so that the table and floor around each person's eating area is clean when he/she leaves.
4. Food or drink should not be thrown in the cafeteria area.
5. Disruptive behavior may result in losing cafeteria eating privilege.

In the event that masks, social distancing, and limiting seating is required, changes can be made accordingly.

Lunch Information

All students enrolled in Weld RE-1 will have an account for lunches. Students are **required** to use their student ID number for lunches and all other purchases. Students will be able to eat a qualifying lunch from either line. **No charges and no cash withdrawals from student accounts are allowed.** Borrowing or lending numbers is **not permitted.** Students must indicate to their first period teacher if they intend to eat in the cafeteria each day.

Graduation participation

The graduation ceremony is intended to honor and showcase our seniors who have demonstrated their commitment to academic success by completing the requirements set forth by the Weld Re-1 School District Board of Education. Student expectations for participation in this event are as follows:

- Appropriate attire is to be worn under the cap and gown. The cap (or mortar board) should not have any decorations or messages affixed to the top of the cap; under the gown clothing should be appropriate for a formal event and footwear should be appropriate for the weather and the surface of the artificial field, no high heels or other footwear that could puncture the surface. Any decorations of the gown itself, must be a school sanctioned recognition and approved by the building administration.

Health Services

The VHS Student Health Room is located adjacent to the Counseling Office, across from the main office. A Health Assistant is assigned to the health room for day to day care of the students. The Health Assistant is trained in First Aid, CPR, and medication administration. Emergency 911 will be called when deemed necessary for your child's safety. Students are encouraged to seek health services as needed.

1. All students must obtain a pass from their teacher to go to the health room.
2. Students may remain in the health room for 20 minutes and then return to class or go home.
3. Health room staff will make arrangements with parents/guardians if a student needs to go home.
4. **No student will be allowed to go home until parent/guardian permission is granted.**
5. All injuries and illnesses must be reported to the classroom teacher immediately. If there is no supervisor present, the student must report the illness/injury/accident to the health room personnel immediately.

Students with a contagious illness (COVID-19, strep throat, pink eye, fever over 99.6 before fever reducing medications, vomiting in the morning before school, severe cold symptoms, frequent watery diarrhea, unexplained

rash, and generally not feeling well) should stay home from school. Please be considerate of other students by limiting exposure. The Health Room is overseen by the District Registered Nurse. If your child has a health condition that could require specific care from school staff, please contact the District Nurse as soon as possible. Conditions such as asthma, diabetes, severe allergies, and/or a seizure disorder can be addressed in a School Health Care Plan which outlines your child's concerns and specifies how we are to respond at school.

Health Medications at School

Students are not allowed to carry any medication with them unless appropriate permissions are in place. Board Policies (BOE-JLCD) and the Colorado Department of Education guidelines require parent/guardian and physician written permission for all medications given or taken at school. Students may carry a rescue inhaler or epinephrine pen for an allergic reaction with them if written parental/guardian & physician permission is provided and is on file in the Health room (BOE-JLCD). ***This applies to both prescription and non-prescription (over the counter) medications. Please consult the school nurse or health clerk for further guidelines.***

(BOE-JLCD) Immunizations - All students enrolled at VHS must maintain a current immunization record. Students not meeting the requirements will enter into the suspension process in accordance with Board Policy. Colorado Immunization Law allows medical, religious, and personal exemptions but appropriate documentation must be in place.

Homebound Instruction

This service is available to students to continue their education while temporarily confined to home due to illness, injury, or special educational concerns. Parents need to contact the Principal to initiate action for homebound instruction.

Internet and Technology Usage

All computers and Internet access must be used in a responsible, efficient, ethical, and legal manner. Each student may have an account on the network that will include access to the Internet if the student and parent complete the Internet Agreement form located in BOE policy. (BOE-JS)

Library Services

It is our intent to assist with research, provide current periodicals and attend to your literary needs. Our goal is to provide the resources you need. The privilege of having such a media center comes with a certain responsibility. Guidelines for the use of the library are listed below:

- Books and other print materials may be checked out using a student ID and may be renewed twice.
- If an item is lost or damaged, a replacement or repair fee will be charged.
- Students may use the copy machine for their personal use at a cost of \$.10/page

- The library will be open for student use from 8:00 AM – 3:45 PM, T-F.

Posters, displays, etc.

Any material that is posted and/or distributed in or about Valley High School must be approved by an Administrator and display the "OK to Post" stamp. (BOE-JICEC)

Release Period (Seniors and Juniors only)

A junior/senior may be released for classes taken at a post-secondary institution or for a legitimate work experience if all requirements for graduation are on track to be met, and Seniors must meet the SAT requirement. Release periods are arranged through school counselors and administration and require a parent permission signature.

During the release period, students must leave the high school campus or arrange an academic option.

School Closing

Should bad weather create an emergency which would call for the closing of schools in the district, please tune to one of the following AM radio stations for information: KFKA (1310), KOA (85), KUNC (FM 91.5), TV Channel 4 & 9(Denver), or log onto www.wcsdre1.org. ***Please do not call the district office or the schools unless absolutely necessary. Your TV/radio is your best source of information.***

School Hall Lockers and PE Lockers

Hall lockers are available upon request. Hall lockers requests should be made through the main office with the Assistant Principal. Lockers are for your convenience and private use. All lockers are the property of the school. For the protection of all students, they are subject to search by an authorized school representative at any time. **The school is not responsible for articles lost or stolen from the lockers.** Any damage or clean-up required will be charged to the student. Defacement or damage to locker doors or locks will carry a replacement fee of \$160 for doors and \$25 for locks. The PE and athletic locker rooms are used by students and athletes on a daily basis. Students and athletes are welcome to use the lockers, however, it is the responsibility of each individual to provide his/her own lock. **Students and athletes are strongly urged not to leave valuables and personal property unattended in the locker rooms. Valley High School and its staff are not responsible for stolen, lost, or damaged property.**

Student Identification, ID's

Students will receive an identification card (ID) shortly after the beginning of the school year. Since proper identification is necessary for school security and student participation in activities, athletics, and library checkout, **students must wear their I.D. card around their necks or on their waist at all times, student IDs must be worn on the front of the body, and be visible at all times.** Students who forget to bring their ID to school will get a temporary ID for the day from the Library or Main Office. There will be a \$1 charge for the temporary ID. Students eating in the cafeteria will need to have their ID visible to enter the lunch lines. Lost IDs will be replaced through the office/Library for a charge of \$5.00. **Students who are continually defiant regarding this policy may be subject to disciplinary consequences.**

Textbooks

Students will be allowed to use textbooks at no charge. Textbooks will be checked out by number and condition to each student. Students are required to return the textbook that was checked out to them. Students not returning the specific textbook will be assessed a fine not to exceed the replacement cost of the textbook. Students are expected to care for the textbooks and can be assessed a fine if, in the opinion of the teacher, excessive wear or damage has been caused.

Transportation/School Buses

Students are now required to have their ID's in order to ride Weld Re-1 school busses. School buses are provided as a convenience and privilege. It is necessary to have rules governing the use of the bus to keep our buses running on schedule and to prevent accidents or injuries to riders or others. Parents and students should understand the rules and have signed off on the **Student Conduct on School Buses** form provided during the registration process. (EEAEF)

Students who drop a semester course after **10 class days** shall receive either a "WP" (withdrawal pass) or a "WF" (withdrawal failing) for a final course grade. A "WF" is counted the same as an "F" for the purpose of Grade-Point Average and Athletic Eligibility. A "WP" does not affect the GPA but may affect Athletic Eligibility. No schedule changes will occur **after 10 days** into the semester.

Student aide (Selection, Credit, Supervision)

Teacher aiding is an experience open only to students who have attained senior standing. Students who are accepted for aiding will work under the supervision of a faculty member. Students who are absent on the due date are expected to turn in assignments on the day they return to school to receive credit. Papers/projects assigned over a period of time are due on the date indicated by the assigning teacher. Students who were absent during the period of the paper or project assignment will be given a reasonable amount of time set by the teacher to complete the work. Unfinished papers or projects will be given credit for work completed if turned in by the due date.

Student Intervention Team (SIT Team)

The SIT Team is composed of the school's principal/assistant principal, counselors and teacher representatives. Its focus is to help students find the resources to promote academic, physical, emotional and social growth. Any student who has a need not being met can be referred to the SIT Team. Teachers, parents, and administrators can refer students. Students may also refer themselves. For those making referrals, please contact the Counseling/Guidance Office.

Transfer Students

In order to receive credit for previous high school coursework, the student needs to present documentation of coursework, grades received, credits earned and contact hours. Students will receive credit based on the following scale:

1.0 credit = 110 + contact hours; .5 credit = 60 - 65 contact hours; .25 credits = 30 - 35 contact hours.

Withdrawal from School

Any student withdrawing from the high school must report to the counselor's office to pick up the necessary checkout form. Students must have parent permission to withdraw. At that time, the student should turn in all school property, such as textbooks, student I.D., library books, laptops, and athletic equipment assigned to them. If this procedure is initiated and completed, all grades will be given No Credit (NC). Early checkout from school may also result in NC. (BOE-JFC)

III. ATTENDANCE RELATED ISSUES

Attendance Policy

An absence is defined as any school day or portion of a school day where a student does not attend a class or classes with knowledge of a parent or guardian. If a student is absent from a class or classes without knowledge of a parent or guardian, the student shall not only be considered absent, but also shall be considered truant (see Truancy). Tardiness is defined as the appearance of a student without an excuse from a school official, parent or guardian after the scheduled time that a class begins. If a student is not ill, it is expected that he/she will attend school on each scheduled attendance day.

Attendance

Pre-Arranged Absences

Students and parents are encouraged to pre-arrange foreseen absences. Students may pick up the pre-arranged absence forms from their assistant principal. **Parents or guardians must call the attendance office between 7:30 a.m. and 9:00 a.m. on the day of the student's illness or each day the student is absent.** If this procedure is followed or a prearranged absence has been made, an admittance pass from the office is not required for the student upon return to school. Such absences are shown as excused on the teacher's computer at the beginning of the next day. If the parent/guardian has not called the school on the day of the student's absence, that absence will remain unexcused until contact is made with school officials. **If a student is going to be absent for more than one day, students are expected to check the class webpage for assignments to complete while absent.** Parents/guardians are also encouraged to request homework if the absence is going to be for multiple days.

Reporting Absences 350 - 4201

UNEXCUSED ABSENCES

An unexcused absence, or truancy, is defined as an absence that is not covered by one of the foregoing exceptions. Each unexcused absence shall be entered into the student's record and the parent/guardian shall be notified either orally or in writing of the student's unexcused absence.

Corrective Actions for Unexcused Absences

1st Offense: _____ Parents notified (parents are called in the morning by office staff).
2nd Offense: Parent notified, possible detention assigned (LD, ASD).
3rd Offense: Parent notified, possible detention assigned, arrange parent meeting.
4th Offense: ISS assigned, possible effect on extracurricular activity participation
Referral to District Social Worker for follow-up to determine next steps to comply with the compulsory attendance law for the State of Colorado.

Tardiness

Tardiness is defined as the appearance of a student without proper excuse after the scheduled time that a class begins. Because of the disruptive nature of tardiness and the detrimental effect upon the rights of the non-tardy students to uninterrupted learning, appropriate penalties may be imposed for excessive tardiness. Parents/ guardians shall be notified of all penalties regarding tardiness. In an unavoidable situation, a student detained by another teacher or administrator shall not be considered tardy provided that the teacher or administrator gives the student a pass to enter the next class. Teachers shall honor passes presented in accordance with this policy. **Students who are tardy to a class without a pass in excess of fifteen (15) minutes will be marked as absent for that period.**

In an effort to impress upon students the importance of being on time to class, class should begin at the scheduled time for the specific period. Please refrain from allowing students to delay the start of class because they want to use the restroom, make a call, or run to the office. Instructional time needs to become an asset our students value and utilize in a more consistent manner. This would apply to the last ten minutes of class as well.

1st Offense - Student warned and reminded of policy (by teacher or Administrator)

2nd Offense - Student assigned to detention for excessive tardies in a week or by referral.

3rd Offense - Student assigned to detention for excessive tardies in a week or by referral.

4th Offense - Referral to Administrator for Parent notification and possible meeting arranged, consequences assigned (Detention, ISS, OSS), Counselor notified.

A tardy report will be run for the week prior and consequences for detention will be as follows:

- If a student accrues three (3) or more tardies to classes in a weeks' time, they may be assigned to detention; they will meet with the Assistant Principal for a discussion about the circumstance for excessive tardiness and consequences may be assigned.
- This will continue until the student has made the report for three weeks, then the student may be subject to ISS in lieu of LD or ASD.

IV. Student Rights and Expectations

Student Conduct & Procedures Leaving Campus (BOE-JIC, JICDE)

Valley High School is a closed campus except during lunch. Students must obtain written permission from the office **BEFORE** leaving campus at any time during the school day except during the lunch hour. **Students may have access to their cars during the school day to get required educational materials but may be able to congregate or loiter in the school parking lots. Students may not congregate in their cars during the designated lunch periods.** Students may walk off campus during the lunch period; they may not drive vehicles or ride in any other vehicle. Students living in Gilcrest may go home for lunch but no "guests" are allowed to accompany them. (BOE-JIHB/JLIE)

Activity Eligibility

Students who have been suspended may not attend school activities during the time of their suspension. In addition, students may be suspended from attending activities for violations of the student handbook.

Students must be passing 5 classes to participate in any extracurricular activity not deemed to be an extension of the classroom.

Athletic Eligibility

Scholastic eligibility, as set by the Colorado High School Activities Association and by Valley High School, requires that during the period of participation, the student must be enrolled in and passing 5 classes. As long as the student passes 5 classes, the number of failures is not relevant. A drop while failing a class will count as an "F" during that semester. If ineligible because of semester grades, an athlete may regain eligibility at the end of the first nine weeks of the following semester. Besides semester eligibility, weekly eligibility is maintained at Valley to ensure that students remain eligible through the semester. Classroom grades will be pulled from Infinite Campus on Friday afternoon. Students not passing five courses of academic credit will be ineligible for athletic activities the following week. Student-athletes will also be required to be in attendance on the day of contests for a minimum of half the school day or four periods. The week of ineligibility will be from Monday through Saturday. Complete athletic activities eligibility rules may be found in the student athletic/activities section of this handbook. (BOE-JJ, JJIB)

Cell Phones and other Electronic Communication Devices

These devices can be disruptions to the educational process. Many times such items are stolen. Students are advised **NOT** to bring them to school. These items shall not be used during class time unless approved and supervised by the teacher. Devices used during class time, without permission, can be confiscated by the teacher and returned at the end of the period; confiscated and turned into the main office to be returned at the end of the day. Successive violations may result in parent notification, after-school detention, or in-school suspension. **If you use your electronic device to film, record, or document any prohibited behaviors, or if you record in bathrooms, locker rooms, etc. your phone may be confiscated as evidence and if criminal charges are filed, the phone may be given to the police and they will keep it in evidence until the criminal matter is resolved. As the person recording the incident, you may be subject to disciplinary actions imposed by the school and district.**

Dance Regulations

The purpose of holding dances is to provide social recreation for students in grades 9-12. They are not intended to be public dances; school rules will be followed. Failure to do so shall result in the loss of attendance privileges. The following rules are listed as the regulations that must be followed:

- 1) All school rules shall apply;
- 2) Middle school students are not allowed at any high school dances;
- 3) All dances have to be scheduled through the office;
- 4) Leaving and re-entering the dance is not permitted;

Early Dismissal

In the interest of the child's safety, parents are urged not to ask for early dismissal for their student except in unusual circumstances. Doctors and other appointments should be scheduled outside of school hours and on school holidays whenever possible. Requests should be made to the school office if a student needs to be dismissed. A pass from the office **MUST BE** obtained prior to leaving campus. Any student leaving campus without a leave pass will be considered **TRUANT**. In no case will a student be released to a person without proper identification and listed as a student emergency contact. ***If a parent or guardian wants to remove a student from school during the school day, they need to contact the Main Office and arrange the absence. Parents/guardians will need to come inside the main office to get their child released from school.*** (BOE - JLIB)

Field Trip Eligibility

The district makes use of extensive community and regional resources as part of the curriculum. Field trips, using district-owned vehicles, are carefully planned and supervised. Parent permission for the student to participate in these trips is required. Some trips may require a minimal fee to defray admission charges or unusually long transportation requirements; however, no student will be denied the opportunity to participate in such planned school activity because of financial hardship. Students must comply with all school rules for proper behavior while on field trips. Deviation from appropriate behavior will be grounds for disciplinary action. Teachers who are contemplating field trips should ensure their planning includes appropriate alternative activities for ineligible students. Such plans should include provision for student supervision and specific learning activity alternatives. Students must be eligible to participate unless it is a required extension of the course curriculum. Weekly eligibility lists are effective from Monday through the following Saturday for the week specified. (BOE-JICC-R-2)

Insurance

School District Weld Re-1 does not endorse any insurance carrier but makes available to all students accident and athletic insurance for a nominal fee. The plans available are: a) 24-hour coverage; b) At-School coverage; and c) Football coverage. Each type of coverage is explained in the brochures available from the school. Please note that football coverage is specifically designed for accident coverage in that sport. All coverages are intended to supplement regular family insurance. To obtain file claims, please see the office. **VHS does not carry accident insurance on its students.** (BOE - JLA)

Public Displays of Affection

Excessive public displays of affection are inappropriate in the school setting. Students engaging in such inappropriate behavior will be spoken to by school staff or a building administrator. If the discussed behavior continues to be an issue, disciplinary actions may be imposed.

Student Dress Code (BOE-JICA)

A safe and disciplined learning environment is essential to a quality educational program. District-wide standards on attire are intended to help students concentrate on schoolwork, reduce discipline problems, and improve order and safety. The Board recognizes that students have a right to express themselves through dress and personal appearance; however, students shall not wear apparel that is deemed disruptive or potentially disruptive to the classroom environment or to the maintenance of a safe and orderly school. ***Any student deemed in violation of the dress code may be required to change into appropriate clothing (school provided). Students may make arrangements to have appropriate clothing brought to school. On the first offense, the student shall be given a written warning and an administrator shall notify the student's parents/guardians. On the second offense, the student may be subject to more severe consequences for defiance, up to and including suspension.***
